

Merry Christmas Day

Jingle Bells Ringing in my ear
Jingle bell a sound that's oh so dear
Frosty the snowman is all around town
Watch out for reindeers falling down
We stay up waiting for santa tonight
He climbs down the chimney at the speed of light
While we're dancing around the Christmas tree
Hugging and kissing just you and me
Carolers are singing outside the door
Lovely songs we all heard before
As they walk from house to house
To wish us all a merry Christmas Day.

Oh oh oh oh
A Merry Christmas Day
Oh oh oh oh oh oh

We're chasing snowflakes as their falling down
And following Rudolph all across the town
Later we'll meet under the mistletoe
While Santa's busy saying ho ho ho
We're feeling jolly eating Christmas cake
And then we go skating on the frozen lake
Saying hi to every friendly face
And later we warm up by the fireplace

Carolers are singing outside the door
Lovely songs we all heard before
As they walk from house to house
To wish us all a merry Christmas Day.

The First Noel

The First Noel, the Angels did say
Was to certain poor shepherds in fields as
they lay
In fields where they lay keeping their sheep
On a cold winter's night that was so deep
Noel, Noel, Noel, Noel
Born is the King of Israel!
Noel, Noel
Noel, Noel
Born is the king of Israel

God Rest Ye

God rest ye merry gentlemen
Let nothing you dismay
Remember Christ our Savior
Was born on Christmas Day
To save us all from Satan's pow'r
When we were gone astray
Oh tidings of comfort and joy
Comfort and joy
Oh tidings of comfort and joy

To save us all from Satan's pow'r
When we were gone astray
Oh tidings of comfort and joy
Comfort and joy
Oh tidings of comfort and joy

Silent Night

Silent night, holy night
All is calm, all is bright
'Round yon virgin Mother and Child
Holy infant so tender and mild
Sleep in heavenly peace
Sleep in heavenly peace
Silent night, holy night!
Shepherds quake at the sight!
Glories stream from heaven afar;
Heavenly hosts sing Al-le-lu-ia!
Christ the Savior is born!
Christ the Savior is born!

Deck the halls

Deck the halls with boughs of holly, Fa la la la la la
la la!

'Tis the season to be jolly, Fa la la la la la la!
Don we now our gay apparel, Fa la la la la la la!
Troll the ancient Yuletide carol, Fa la la la la la la!

See the blazing yule before us, Fa la la la la la la!
Strike the harp and join the chorus, Fa la la la la la
la la!

Follow me in merry measure, Fa la la la la la la!
While I tell of Yuletide treasure, Fa la la la la la la!

Fa la la la la la la X 3

Christmas Miracle

Christmas a time for miracles
Wishing to find a remedy
Hoping for better days to come.

Memories are flickering shadows
Cold nights hearing the wind blow
The snow flakes reminds me of something gone.

Send me
Lights and Angels
Help me
Through the changes
And Ill be waiting on Christmas Night.

Show me hope and glory
Write us a different story
And ill be waiting on Christmas night.

Christmas a time to be cheerful and joyful
But baby you left me alone.
So send me
Lights and Angels
Help me
Through the changes
And Ill be waiting on Christmas Night.

Show me hope and glory
Write us a different story
And ill be waiting on Christmas night.

My only wish this year
Is for you to be here.

The First Snow of Christmas

The first flake of snow
Is said to fall today
It comes to say that Christmas is on its Merry Way
For every single child
There's a gift on Santa's sleigh
The first flake of snow
Is said to fall today.
The first snow this winter
Is promised for this day
It brings a hope of peace
Both near and far away
It says we can live together
And that we can find a way
The first snow this Christmas
Is promised for this day.

Dance break!

The first snow of Christmas is falling from above
It's a sight of wonder
A magic time of love
And the joy found in each other
It goes around this town
The first snow of Christmas is falling from above.
Oh the first snow of Christmas is falling from above.
